

HIGH PERFORMANCE UPHOLSTERY FABRICS FOR HEALTH AND AGED CARE, HOSPITALITY AND COMMERCIAL APPLICATIONS

ANTIBACTERIAL, ANTIMICROBIAL

Effective against a wide range of pathogens with ongoing antimicrobial protection for the life of the fabric. Safe, bio based, odour free, renewable and sustainable

MOISTURE BARRIER

Breathable barrier to all liquids, cleaners and contaminants

WATER AND OIL REPELLENT SURFACE TREATMENT

Functional finish that adds a liquid shedding property to the fabric causing liquid droplets to bead and roll off the surface for ultimate protection

DESIGN: LIVORNO

CORAL

FOSSIL

AVOCADO

PRODUCT SPECIFICATION

Application: Commercial Upholstery

Composition: 100% Polyester

Weight: 473gsm

Width: 137cm

Pattern Repeat: V: 3.5cm H: 2cm

Flammability: Passes AS1530 P3

Abrasion Resistance: Martindale 50,000 cycles
(AS 2001.2.25)

Pilling Resistance - 5
(TM196)

Seam Slippage: Warp 2.7 Weft 2.7
(AS2001.2.22A -2006)

Colourfastness to Light: 5
(AS 2001.4.21)

sonataCare

CARE INSTRUCTIONS FOR UPHOLSTERY FABRICS

LIQUIDS

Using a clean white cloth immediately blot lightly excess liquid. Take care not to press or smear any excess. Lightly soak a clean white cloth with water and a small quantity of dishwashing liquid. Gently clean the affected area using a light circular motion. Repeat the process using a damp cloth to remove any excess soap. Do not over wet the fabric.

For textured and piled fabrics. Cleaning can be assisted by the use of a toothbrush. For tougher stains, repeat the process using a proprietary brand upholstery cleaner. On piled fabrics like chenille and velvet it may be necessary to clean the entire cushion panel to maintain overall appearance.

NON LIQUIDS

Gently lift and remove solid matter with a knife. Take care not to press or smear any excess. Lightly soak a clean white cloth with water and a small quantity of toilet soap or dishwashing liquid. Gently clean the affected area using a light circular motion. Repeat the process using a damp cloth to remove any excess soap. Do not over wet the fabric.

For textured and piled fabrics. Cleaning can be assisted by the use of a toothbrush. For tougher stains, repeat the process using a proprietary brand upholstery cleaner. On piled fabrics like chenille and velvet it may be necessary to clean the entire cushion panel to maintain overall appearance.
